Part number	Description
FXEXB-RK	Exit Blade Recessing Kit

Installation Guide

- Ensure that the mains supply is switched off before installing, maintaining or servicing the emergency luminaire.
- Luminaires should only be installed by suitably qualified personnel.

1: Insert blade

2: Align test button

3: Check test button alignment

4: Insert pins on the recess until flush

5: Ensure snap-fit clips are located correctly

6: Insert the four metal springs before installation
